

More than Sacrifice.

Hebrews 6: 9

Our salvation is like a package that has other wonderful things in it... “BETTER THINGS”... that.... “ACCOMPANY salvation”.... Hebrew 6:9. We often go for salvation, step into services and sacrifices to God and then stop. However, there is more in the package.

The writing in the book of Hebrews 6:10, “For *God is not unjust to forget your works and labour of love which you have shown towards His name.....*” shows how important service and sacrifice to God are to Him. They are important.

However, God wants us to move forward... “*Let us go unto perfection...Heb.6:1*”, to add what is better to what we have, as Paul wrote “...*We are confident of better things concerning you...*” In doing this, we will experience greater dimensions of God and push for *the mark of His high calling*.

I believe God is not asking us to leave our work posts, abandon our works and labour of love, our sacrifices of praise, giving, hospitality, and prayer, but He is encouraging us to add what is better to them. We should add righteousness (God-like-ness), obedience, and time at His feet, to our service and labour for Him. Why?because they are “BETTER THINGS”*Heb.6:9*....so that we can experience better things in God and achieve greater results.

Therefore, let us add:

- Righteousness: Proverb 21: 3 “.... is more acceptable to the Lord than sacrifice”
- Obedience: 1 Samuel 15:22 “...is better than sacrifice”
- At His Feet: Luke 10:38-42 “....has chosen what is better...” Where are you?

Let us like Mary choose what is BETTER and add it to what is GOOD, so that we can have what is GREAT.

Application

- What did God spoke to you in the preaching?
- What is not clear to you?
- In what area are you struggling?
- What are you going to do about it?
- Pray for one another.
